Putting The Finger On Crime

PRESS RELEASE

DATE: *December 10, 2009*

NATURE: 3 Retail Frauds

AUTHORITY: Hudson Police Department

NARRATIVE:

Crime Stoppers of Lenawee is asking for the public's help in identifying the subjects responsible for three Retail Frauds that occurred at the Do It Best Hardware in Hudson MI. These thefts occurred on November 17th, 19th, and 21st when the subjects entered the store through the front entrance of the Bob's Market House complex. The subjects then entered the hardware store which is located inside the complex. Once inside the hardware store the subjects stole chain saws, nail guns, vacuums and other items from the store. The subjects then pushed the shopping cart with the stolen items out the front door without paying for the items. On November 21st employees approached these subjects who would not stop for the employees, and the subjects got in a vehicle being driven by a white female with blonde hair.

The subjects are described as two white males, 25-35 years old, average height and weight. One of the males may have been Hispanic. The female was white with blonde hair. One of the males was wearing a dark fleece coat with a hood and a cross insignia on the back.

Suspects where driving a small dark colored S-10/Ranger type truck during one of the incidents and during one of the other incidents the female was driving possibly a Honda Accord 2dr, dark in color with 425 in the Michigan plate.
